Interprovincial & International Teams

Conducting championships has been core to Alberta Golf's mandate since its inception in 1912. Each year, over a thousand competitors participate in provincial championships. As part of this Alberta Golf sends top players each year to a plethora of interprovincial events and international events.

This is a list of all the Alberta Interprovincial Teams with their results, and all the Albertans who have played for Team Canada. Albertans on International teams have their names bolded and are coloured blue.

A complete breakdown of the year is also available upon request which includes total winning score, host club golf, and runner up. The complete list of Golf Canada national champions can be found at https://heritage.golfcanada.ca/wp-content/uploads/2021/05/Record-Book_February-2020.docx
