

National Championships

Conducting championships has been core to Alberta Golf's mandate since its inception in 1912. Each year, over a thousand competitors participate in our provincial championships. Our provincial championships help create the fields for the National Championships.

This is a list of all the winners of Golf Canada national championship events that were members of Alberta golf clubs at the time of their respective wins.

A complete breakdown of the year is also available upon request which includes total winning score, host club golf, and runner up. The complete list of Golf Canada national champions can be found at https://heritage.golfcanada.ca/wp-content/uploads/2021/05/Record-Book_February-2020.docx

The following events are listed with the Albertan winners:

- **Canadian Men's Amateur Championship**
- **Canadian Women's Amateur Championship**
