

The Alberta Districts Country Golf Association Tournament Champions

Conducting championships has been core to Alberta Golf's mandate since its inception in 1912. Each year, over a thousand competitors participate in provincial championships. Over the years there have been a number of events that were once a staple of golf in Alberta, but are no longer played.

This is a list of all the winners of the Alberta Districts and Country Tournament which started in 1926 and played its last championship in 1987. This event originally was used as a way to get into the Men's Amateur for good players at the smaller clubs, and players competed for the Herald Cup, named after the Calgary Herald.

A complete breakdown of the year is also available upon request which includes the home course, runner up, and winning team members.

Other events that have been retired include:

- **Alberta Family Classic**
- **AB Team Trials**
- **The Eaton Rose Bowl**
- **The Hudson's Bay Inter City Match Play**
- **The Team Pro Am**
- **Crown Life National Pro Am (also known as Labatt Lite's National Pro Am)**

This record book is credited to over the 800 hours of work that was done by Kim Marsh of the Red Deer Golf and Country Club.

Kim's impressive display of dedication and workmanship has allowed Alberta Golf to learn more about its 111-year history and more specifically learn about the championships that have been forgotten about
