

The Eaton Rose Bowl Four Ball Champions

Conducting championships has been core to Alberta Golf's mandate since its inception in 1912. Each year, over a thousand competitors participate in provincial championships. Over the years there have been an number of events that were once a staple of golf in Alberta, but are no longer played.

This is a list of all the winners of the Eaton Rose Bowl Four Ball Tournament. This was a season long event played in the North and South half of Alberta each week, with the team from each region who held the trophy the most times during the season facing off at the Red Deer Golf and Country Club for provincial bragging rights. The Rose Bowl was presided over by Alberta Golf Pioneer Tom Scott.

A complete breakdown of the year is also available upon request which includes the home city.

Other events that have been retired include:

- **Alberta Family Classic**
- **AB Team Trials**
- **The Alberta Districts Country Golf Association Tournament**
- **The Hudson's Bay Inter City Match Play**
- **The Team Pro Am**
- **Crown Life National Pro Am (also known as Labatt Lite's National Pro Am)**

This record book is credited to over the 800 hours of work that was done by Kim Marsh of the Red Deer Golf and Country Club.

Kim's impressive display of dedication and workmanship has allowed Alberta Golf to learn more about its 111-year history and more specifically learn about the championships that have been forgotten about
